Through the cooperation of the "Habitat Road Trip Craziest" as well as over 200 volunteers, the Union County Habitat for Humanity will soon be changing the world for three local families. Watch for details over the next few weeks on how you can help in this upcoming event.

Waxhaw, N.C. April 14, 2008 - - The Waxhaw-Weddington Sunrise Rotary will host the biggest ever Waxhaw Town and Country Run Friday April 24 at 7 p.m. in downtown Waxhaw. The Rotary Club invites participants to join them and the race's sponsors in benefiting the Union County Crisis Assistance Ministries. "Last year, we were able to help 978 Union County households survive a sudden, devastating financial storm," says Gloria Barrino, Executive Director of Crisis Assistance, "yet the number for this year will exceed 1,200. We desperately need the help of caring people if we are to keep hundreds of other families and children from living on the streets. We're so very grateful to the Waxhaw-Weddington Sunshine Rotary Club and others in Union County who are standing with us in this cause." At last year's race 251 runners ran through historic Waxhaw—past shops and historic houses with more than 200 onlookers cheering them on. This year about 300 runners are expected with 600 others in attendance. Club President Larry Hook says, "Rotary is based on four avenues of service, and community service covers the projects and activities the club undertakes to improve life in its community. With so many people suffering due to the current economic situation, the Union County Crisis Assistance Ministry is an appropriate recipient of funds from this event."

It's a 5K run with computer chip timing and a 1/2 mile Fun Run. Fitness walk and baby joggers are welcome in either event. Check-in begins at 5:30 p.m. on E. North Main near the old the fire station. The 1/2 mile and fitness walk starts at 6:40 p.m. with the 5 K race at 7 p.m. and the baby joggers and wheelchairs at 7:05 p.m. Certification is pending for the 5K.

Registrations are still being taken. Donations are \$30 at the race for the 5K and \$12 for the 1/2 mile fun run and will be accepted the evening of the race. Food will be available for purchase and local food vendors will also have free samples. The race's title sponsor is Farms and Estates Realty.

Rotary International is an international service club with 1.2 million members worldwide. Members volunteer their time and talent in living out the Rotary motto, "Service above Self." The Waxhaw-Weddington Sunrise Rotary Club has 24 members, To find out more about the race and how to register, go to www.wwsrotaryclub.org, or www.runwaxhaw.com, or call Jim Rice at 704-651-2485.

The Town of Waxhaw will be holding a dedication ceremony for the overhead bridge on April 24th, 2009 at 3pm. We will be installing a beautiful bronze plaque to thank our generous contributors, Town of Waxhaw Public Service and CSX railroad. **ALL ARE INVITED TO ATTEND.**

The Waxhaw Farmers Market will open for the 2009 season on April 4th.

Welcome to this weeks edition of The Waxhaw Gazette! If you own a business and have any news worthy happenings planned or know of someone new coming in, send me a press release and I will be happy to include it. Contact me directly with comments or suggestions at: jtiley@thewaxhawgazette.com

Queen's Cup Steeplechase

The 14th Annual Running of Champions

by John Tiley

**Come on
out
Saturday,
April 25,
2009 for
the party
event of
the year!**

In just over two weeks the Queens Cup Steeplechase will once again grace us with some of the best horse racing in the world. Having lived in the Waxhaw area for many years I can say with certainty a person knows when this event is getting ready to run.

Direction signs go up. Advertising starts appearing in local papers and television. Chatter at all of the local restaurants includes at least some mention, especially if any of our numerous equestrian types are present. And all of this comes to a head on Saturday, April 25th when over 14,000 people are expected to show up for an entire days worth of events. Rain or Shine nothing is going to slow this happening down. I understand the "Tailgating" there makes anything seen at a Panthers game look downright amateurish?

And just for , "this biggest event of the year..." Mayor Daune Gardner of Waxhaw still has a few tickets to the Friends of Waxhaw Private Tent on Heartbreak Hill. Proceeds from this effort benefit the Waxhaw Arts Counsel. Come out for a day at the races (if you are local). Meet Mayor Gardner and many other fine folks of Waxhaw, hang out with LPM, and enjoy the festivities of the day!

Email Daune at daune@creativeplus.com for details and to buy tickets.

Town of Waxhaw Plans Memorial Day Remembrance Ceremony

Waxhaw, N.C. Plans are under way for the 2009 Memorial Day Remembrance Ceremony in historic downtown Waxhaw. The program is slated for Saturday, May 23rd beginning with breakfast and registration for veterans at 9am. The official public program will begin at 10am in front of the Waxhaw Military Wall of Honor. The Wall of Honor is located in the East North Main Street block in historic downtown. The program will be emceed by Ken Conrad and will include: the changing of flags by American Legion Post 208, The National Anthem by Laura Pettler, Laying of the wreath, guest speaker John W. Falkenbury Lieutenant colonel, U.S. Army, retired and President of the N.C. USO., a three round volley from the overhead bridge, taps, Ken O'Neil on bag pipes and a symbolic releasing of doves. The public is urged to attend this event to commemorate all war veterans. Far too often, the nation as a whole takes for granted the freedoms all Americans enjoy. By honoring the nation's war dead, we preserve their memory and thus their service and sacrifice in the memories of future generations This event is free to the public. For more information on the Memorial Day Remembrance Ceremony please go to www.waxhaw.com or call 704-843-2195 ext 26.

**"Always do right -
This will gratify
some people and
astonish the rest."
--Mark Twain**

And now, Our Weekly Dose of Humor directly from the Internet.....

bits and pieces that your Editor will not testify to for correctness, accuracy nor even believability but they are certainly humorous? So Enjoy!

LET IT REALLY SINK IN..... THEN CHOOSE....

John is the kind of guy you love to hate. He is always in a good mood and always has something positive to say. When someone would ask him how he was doing, he would reply, 'If I were any better, I would be twins!'

He was a natural motivator.

If an employee was having a bad day, John was there telling the employee how to look on the positive side of the situation.

Seeing this style really made me curious, so one day I went up and asked him, 'I don't get it!'

'You can't be a positive person all of the time. How do you do it?'

He replied, 'Each morning I wake up and say to myself, you have two choices today. You can choose to be in a good mood or...you can choose to be in a bad mood

I choose to be in a good mood.'

Each time something bad happens, I can choose to be a victim or...I can choose to learn from it. I choose to learn from it.

Every time someone comes to me complaining, I can choose to accept their complaining or...I can point out the positive side of life. I choose the positive side of life.

'Yeah, right, it's not that easy,' I protested.

'Yes, it is,' he said. 'Life is all about choices. When you cut away all the junk, every situation is a choice. You choose how you react to situations. You choose how people affect your mood.

You choose to be in a good mood or bad mood. The bottom line: It's your choice how you live your life.'

I reflected on what he said. Soon hereafter, I left the Tower Industry to start my own business. We lost touch, but I often thought about him when I made a choice about life instead of reacting to it.

Several years later, I heard that he was involved in a serious accident, falling some 60 feet from a communications tower.

After 18 hours of surgery and weeks of intensive care, he was released from the hospital with rods placed in his back.

I saw him about six months after the accident.

When I asked him how he was, he replied, 'If I were any better, I'd be twins...Wanna see my scars?'

I declined to see his wounds, but I did ask him what had gone through his mind as the accident took place.

'The first thing that went through my mind was the well-being of my soon-to-be born daughter,' he replied. 'Then, as I lay on the ground, I remembered that I had two choices: I could choose to live or...I could choose to die. I chose to live.'

'Weren't you scared? Did you lose consciousness?' I asked.

He continued, '...the paramedics were great.

They kept telling me I was going to be fine. But when they wheeled me into the ER and I saw the expressions on the faces of the doctors and nurses, I got really scared. In their eyes, I read 'he's a dead man'. I knew I needed to take action.'

'What did you do?' I asked.

'Well, there was a big burly nurse shouting questions at me,' said John. 'She asked if I was allergic to anything 'Yes, I replied.' The doctors and nurses stopped working as they waited for my reply. I took a deep breath and yelled, 'Gravity''

Over their laughter, I told them, 'I am choosing to live. Operate on me as if I am alive, not dead.'

He lived, thanks to the skill of his doctors, but also because of his amazing attitude...I learned from him that every day we have the choice to live fully.

Attitude, after all, is everything.

Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own.' Matthew 6:34.

After all today is the tomorrow you worried about yesterday.

Children's Science Exams

If you need a good laugh, try reading through these children's science exam answers...

Q: Name the four seasons..

A: Salt, pepper, mustard and vinegar.

Q: Explain one of the processes by which water can be made safe to drink.

A: Flirtation makes water safe to drink because it removes large pollutants like grit, sand, dead sheep and canoeists.

Q: How is dew formed?

A: The sun shines down on the leaves and makes them perspire.

Q: How can you delay milk turning sour? (Brilliant, love this!)

A: Keep it in the cow..

Q: What causes the tides in the oceans?

A: The tides are a fight between the Earth and the Moon. All water tends to flow towards the moon, because there is no water on the moon, and nature hates a vacuum. I forget where the sun joins in this fight.

Q: What are steroids?

A: Things for keeping carpets still on the stairs.

Q: What happens to your body as you age?

A: When you get old, so do your bowels and you get intercontinental

Q: What happens to a boy when he reaches puberty?

A: He says good-bye to his boyhood and looks forward to his adultery..

Q: Name a major disease associated with cigarettes.

A: Premature death.

Q: How are the main parts of the body categorized?

(e.g., abdomen)

A: The body is consisted into three parts -- the brainium, the borax and the abdominal cavity. The brainium contains the brain; the borax contains the heart and lungs, and the abdominal cavity contains the five bowels A, E, I, O, and U.

Q: What is the fibula?

A: A small lie.

Q: What does 'varicose' mean?

A: Nearby.

Q: Give the meaning of the term 'Caesarian Section.'

A: The Caesarian Section is a district in Rome.

Q: What does the word 'benign' mean?'

A: Benign is what you will be after you be eight.
